The students who shall be speaking at the graduation ceremony were selected based on neutral criteria to deliver messages of the students' own choices. The content of each student speaker's message is the private expression of the individual student and does not reflect any position or expression of the School or the Board of Directors, or the School's administration, or employees of the School, or the views of any other graduate.

The contents of these messages were prepared by the student volunteers, and the School refrained from any interaction with student speakers regarding the student speakers' viewpoints on permissible subjects.

## WINFREE ACADEMY

### A BRIEF HISTORY...

The first class of only eleven students graduated from Winfree in 1997 after attending school in a small church run by one teacher, Mrs. Melody Gillespie, and a few volunteers. Then in the year 2000, the state granted Winfree its charter and within the same year it expanded to add the Lewisville and Richardson campuses. After experiencing such success in Dallas and Denton counties, Winfree expanded into Tarrant County, opening the Grapevine campus in 2002 and then the North Richland Hills campus in 2005. Expansion furthered in 2007 when Winfree opened up its northern-most campus in the city of Denton. In 2012, Grand Prairie joined the Winfree family when the Grapevine location was relocated. In 2014 the Denton campus was relocated to Dallas.

Over our 24 years of existence, Winfree Academy has graduated 9,000+ students.

### MESSAGE FROM THE SUPERINTENDENT...

We are here together today for a commencement, a time for new beginnings. The entire Winfree Academy family has come together to celebrate one of life's most significant events-- graduation. We congratulate all of our students who are graduating today and welcome all friends and family members. You are all a part of the Winfree Academy family. Today, we witness the beginning of all that now lies ahead.

"The fireworks begin today. Each diploma is a lighted match. Each one of you is a fuse."  
~Edward Koch
