Winfree Academy: Volume 2

December 2017

Warming Up

Here at Winfree Lewisville, we're excited to see more and more learners starting to graduate and complete this chapter in their lives. October and November have flown by, and we are now approaching Winter Break.

The canned food drive is coming to an end. We have come up with many cans this year to contribute to our campus food pantry. The classroom with the most cans was announced on Friday, December 1, and will be rewarded with a pizza party.

We can't wait to see what all our fellow peers continue to accomplish this year!

StuCo Scoop

Lewisville Student Council has had a busy semester. We have elected officers, participated in Breast Cancer Awareness, National Hunger, and Homeless Awareness campaigns, and planted a Promise Garden during Red Ribbon week to remind our campus of our pledge to be drug-free. Here's what's coming up:

- ◆ We are partnering with DFW Toys For Tots for our toy drive, December 1-15.
- ◆ Watch for our annual dance video during National School Choice Week, January 22-26!

On My Mind

It's hard to believe that we're entering December! It seems like just a few weeks ago we were welcoming a new group of learners to the campus. Wow! This year is flying by fast.

I am so proud of our learners who have worked hard, completed credits, progressed to another grade or classroom, and I'm especially proud of our graduates. Well done! I am also proud of our amazing staff. Both educators and support staff have poured their hearts into the learners and the school. We've seen learners make progress, but we've also built relationships that have made the entire school stronger.

I'm proud to be part of Winfree. One of the great things about our schools is that regardless of the challenges a learner faces, we work to find a way for each person to succeed. There is a poem that is a long-time family favorite of the Stubblefields. This sentence sums it up: "You can't direct the wind but you can adjust the sails." I'm grateful for the flexibility, creativity, dedication, sail-adjusting and sometimes sense of humor that made this year a great one so far for our staff and learners. I look forward to what this group will do next!
