## On My Mind

Famous American businessman J.P Morgan said, “The first step towards getting somewhere is to decide you’re not going to stay where you are.” Over the past few weeks, we’ve celebrated lots of “first steps” with our Winfree Family. Students are back to school – a first day is the next “first step” toward graduation. We’ve welcomed some great, new staff. We’ve taken steps to assist our learners make progress. Even though we’re only a few weeks in, we’re already seeing the accomplishments begin to mound up. It’s been a great start to the year.

We have three key words we’re sharing with learners: Attendance, Respect, Work. Learners who are committed to those three words will see amazing things happen. It will be exciting to see next June how far a journey we’ve taken from our first steps this fall.

## Student Spotlight Kevin Son

Kevin has been with Winfree Lewisville since April 2017, and he has become one of our hardest workers. After a few minor setbacks last year, Kevin has really re-dedicated himself to his work and is absolutely killing it in his classes! We have been in school for just a little over a month, and he is already at 222% progress.

Kevin says his favorite things about Winfree are the shorter, more manageable school days and the opportunity to work at home, which helps his family stay involved in his learning. We are incredibly proud of this bright young learner, and have no doubt that he will continue to knock it out of the park.
