Winfree Academy: Volume 1

October 2017

Welcome Back to School!!!!

As always we appreciate your support. Should you have any questions please do not hesitate to reach out.

Principal Brad Landis

The 2017-2018 academic year is off to a fabulous start at the Dallas Campus! Learners are "rowing the boat" and making unprecedented progress. For the 2017-2018 academic year we have a new monitoring/pacing tool and have added some outstanding educators to the team.

New faces on the Dallas campus include:

Mr. Moyer (Math)
 Ms. Cox (Science)
 Mr. Miller (Generalist)
 Ms. Powell (ELA)
 Ms. Montgomery (ELA)
 Ms. Troxtell (Counselor)
 Ms. McCraw (ELL Specialist)
 Ms. Fuentes (Art)

New this year is the implementation of a school-wide progress monitoring tool. Our goal is to help all learners stay on track with their academic progress. Our push is to have them earn more than the 6.5 credit minimum for the year. All learners have progress goals that are checked every other Friday. We would be happy to go over that tool and explain how that works should this be news to you.

Staff Spotlight!!!

Hello team, my name is Michael Boyefio or Mr. "B". I am the Instructional Assistant here at Winfree in Dallas "Ace of Spade". I believe I am very funny and pretty chill for the most part. A little bit about me, I was originally born in Ghana, Accra. That is in Africa. I love sports and can pretty much talk about it all day. I went to school at THE A&M Texas Commerce University where I studied human performance and kinesiology. My motivation is my family and my students, I strive for perfection in all I do.

Mrs. Troxtell

Meet the New Counselor!

Hi Winfree Dallas Families!

My name is Alex Troxtell or Mrs. T and I am very excited to be the school counselor this year! I have loved these first weeks of getting to know the learners and talking about what their goals are for the semester and beyond Winfree.

A little bit about me: I was born in Dallas, raised all over Texas. I attended Texas A&M (Gig Em!) and then moved to Alaska with my husband for four years. In Alaska, I received my Masters in Counseling Education with a focus in School Counseling. I am very excited to be back in this 100 degree weather and bear-free state! I love watching football, being outside, and playing with my beagle, Wilbur.

Please let me know if I can help to support you and your learner!

Community Friday

Community is a time when we come together as a campus every Friday with our learners. This time is used to celebrate and motivate as we close the week out together.
