## Giving back to our Community

Jennifer Brown, Jenerica Washington,  
Cesar Mapula, Joseph Mahieu & Bethany Delgadillo

Our Student Council members decided on giving back to our community by having a canned food drive to help others in need in our community. In our morning session the Courage Program donated the most canned goods and our afternoon session Classroom 1 also had the most canned goods. A big shout out to Jennifer Brown and Hollyn Cole in Classroom 1 for bringing over 50 cans each. Way to go! Since Courage and Classroom 1 won the challenge they were rewarded with a pizza party. We collected over 400 cans to make sure those in need are able to have a good Thanksgiving dinner to enjoy with their family members. -Mrs. Hunolt

Basketball Practice

Game at ILT Keller: Dwight Collins, Jackson Holman, Bethany Delgadillo, and Avieon Shanklin.

Our basketball team has been working hard and have already had their first game, which was away at International Leadership of Texas at Keller.

Unfortunately, they did come up short. They lost with a score of 55 to 50. Our two captains were Jackson Holman and Bethany Delgadillo and our highest scorer was Dwight Collins with 23 points.

They have their next game on December 2nd against Infinity Preparatory at the NRH recreation center. After that they will have only one more game which will be an away game. Hope to see you there!

# STUCO Zoo Field Trip

On November 9th, Winfree's Student Council members along with Mrs. Rodriguez and Dr. Danielson went to the Ft. Worth Zoo. Bobbi McLaughlin, a junior representative in Student Council, said her favorite section of the zoo was Raptor's Way, where she saw a California Condor standing in a predatory stance. Mrs. Rodriguez, the Student Council facilitator, said she "loves animals" and wanted to take the Student Council to the zoo to learn about animals and their environment. They got to go rock climbing, feed birds, experience a tornado simulation, and pet snakes, sheep, and goats. STUCO will also be adopting an animal. Overall, the Student Council had a great experience at the zoo, and an amazing day with Ms. Rodz & Dr. Danielson.
